***And the use during class time of Spray
Fixative to secure the oil pastels in place.

Students to bring to class:

Pencil
Scissors

Most materials for class are to be supplied by
the Instructor and is covered in the \$12.00
Materials Fee.

Arrive to class and be prepared to have fun
creating gifts for family and friends.

Included in class are suggestions and steps to utilizing a home computer and printer to create several holiday cards, small sized wrapping paper for small gifts, and also creating prints of your work for multiple family members and friends for framed gifts.

Your instructor Carol Foldvary-Anderson is also a knowledgeable graphic designer and can show you her tricks working with your art and a computer.

Holiday Images in Oil Pastel

December 6 - 13, 2019 2 day workshop

Fridays 1pm-4pm

\$79 + \$12 Materials Fee

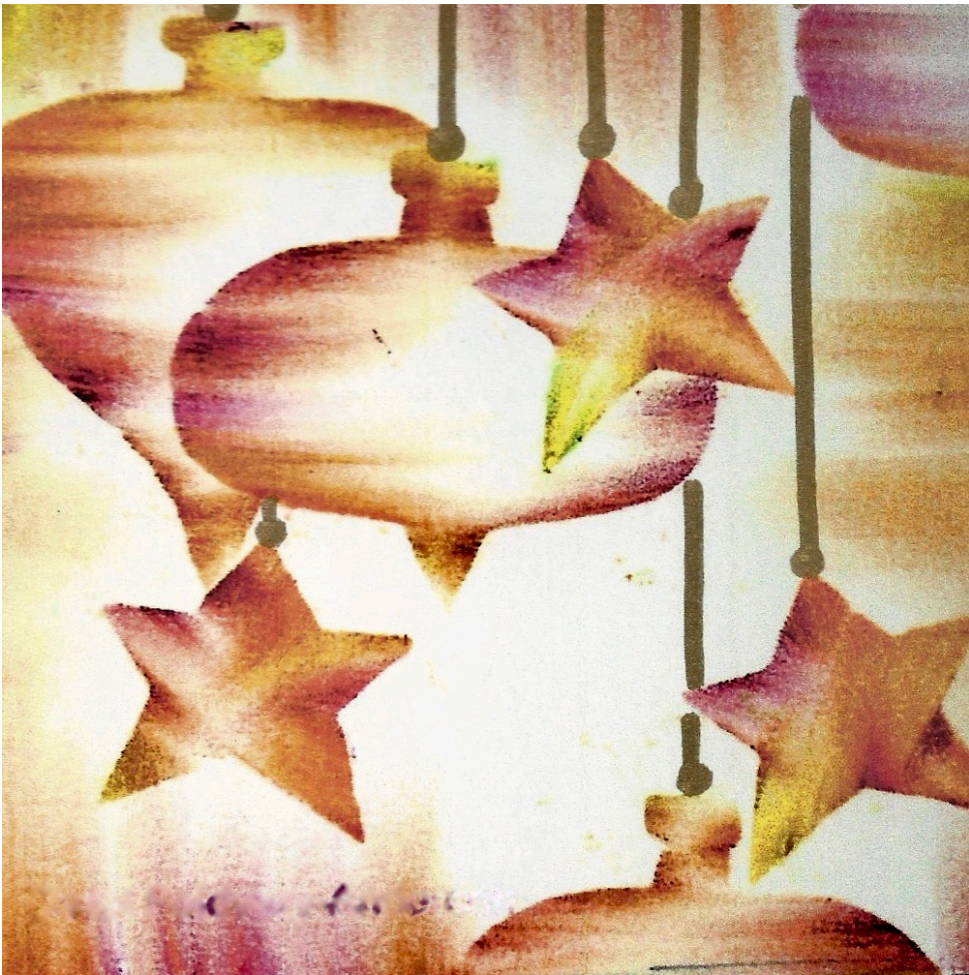

Most Supplies are Included in the \$12. Materials Fee

Instructor: Carol Foldvary-Anderson

Learn to create several seasonal images with a handmade template and using your fingers to smear and smudge the oil pastels in place. This straight forward, and simple artistic style using oil pastels is able to create artwork in minutes with thrilling results. The template created can be used again and again.

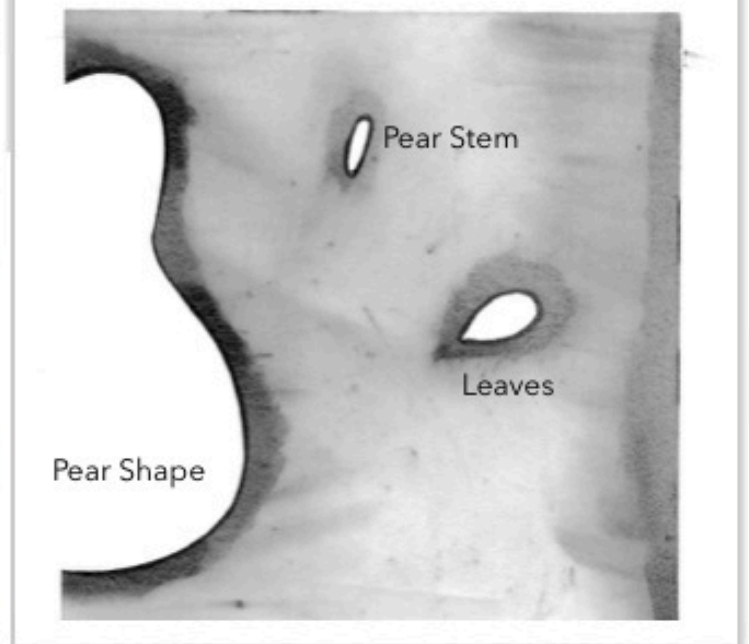

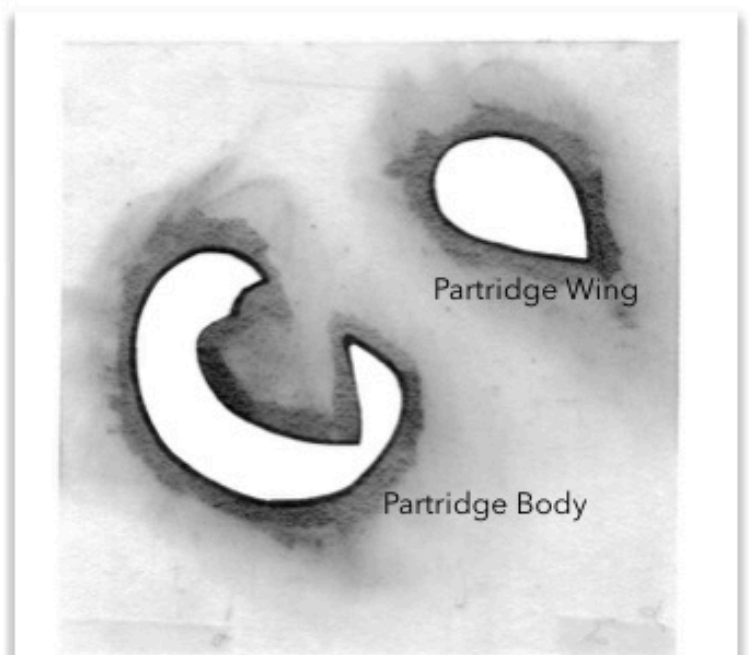

**Please view the Instructors website:
OilPastelSmudge.com for great ideas and inspiration!**

TEMPLATE CREATED
FOR THE PARTRIDGE IN A PEAR TREE in OIL PASTEL SUMDGE!

The finished creation was then scanned into the computer and enlarged to fit a rectangle and the computer lettering added!
